# Times Tables Rock Stars (TTRS)

All children in Year 4 will complete a Multiplication Table Check in the summer.

TTRS has been shown to support the learning and recall of the 2-12 times tables.

This is done through various game-style activities which help to mimic the MTC.

Children are expected to spend time completing set tasks every week as part of their homework.

Logins are to be found in your child's reading record

TTRS can be used on browser or downloaded as an app.

# Multiplication check

- In the Summer term (June 2025) the children will take the multiplication check.
- Children are required to answer 25 times table questions-they have 6 seconds to answer each question.
- We have already begun to practise in class and this will continue all year.
- You can support your child by encouraging them to access TT rockstars and use the sound check. The children have been provided with logins (please ask if you need these).
- We will set up regular competitions on TT rockstars.

Any questions, please ask!
